CUSTOMER SERVICE CONSULTANT

I have a background in the health and fitness industry for over 18 years . I believe the fitness industry is truly a fantastic industry to work in and have always wanted to be a part of that environment .

I am a friendly, helpful, and polite person with strong work ethics.

As I have always needed exercise in my life, I want to help people discover how good exercise can be. Enjoy helping people to see they are stronger and tougher than they think. Seeing lives changed through commitment and determination.
